#### **On track for justice**

Loving God,

The destruction of your Creation,  
our Common Home, echoes in our hearts  
the cry of the Earth and the cry of the poor.

Listening to this cry, we hear your call  
to ecological conversion.

Turn us away from actions that harm  
our relationships to you, our planet,  
and our sisters and brothers.

Turn us towards the track for justice.

Gather us as your Church, North and South,  
to walk this track together.

Let us be guardians of Creation and  
not rivals for its spoils.

May we encounter others on the way  
who seek ecological justice  
and join our efforts to their own.

Guide us together towards the dream of  
our human family living on a healthy planet,  
in dignity, solidarity, justice and peace.

Amen
